

CHANGES TO CHILD LIFE SPECIALIST ORDER

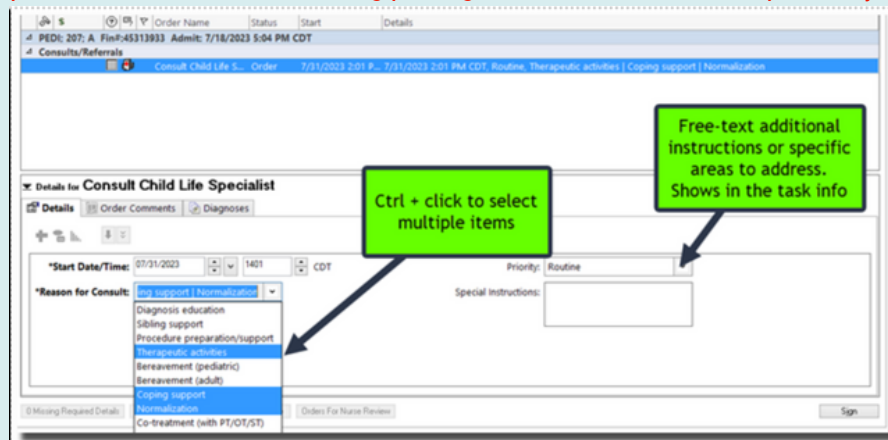

GO-LIVE 8/29/23

Summary

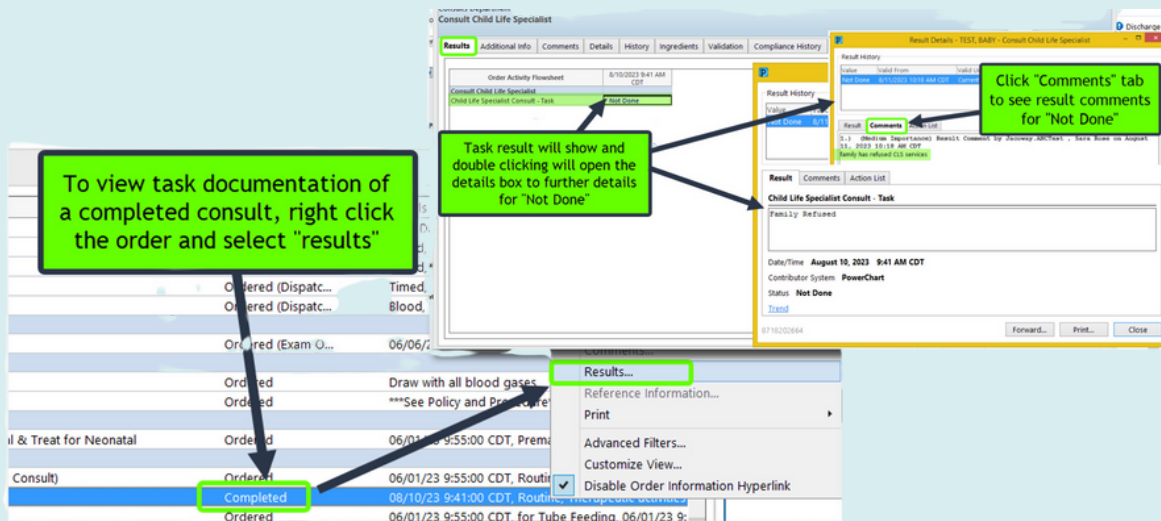

On **8/29/23**, the Child Life Specialist Order will be available with the attending physician field **removed** so any clinician can place the order. This order will fire a task to the Child Life Specialists' multi-patient task list containing all the details filled out in the order. The Child Life Specialist will then fill out their documentation in a Powerform that is visible to Providers in the Ancillary Documentation Folder.

Order

Child Life Specialists' do NOT have ordering privileges, so this order must be placed by the clinician.

How to see if consult task is completed
