

CHANGES TO CONSULT NEUROLOGY FOR CONTINUOUS EEG

11.15.22

Summary

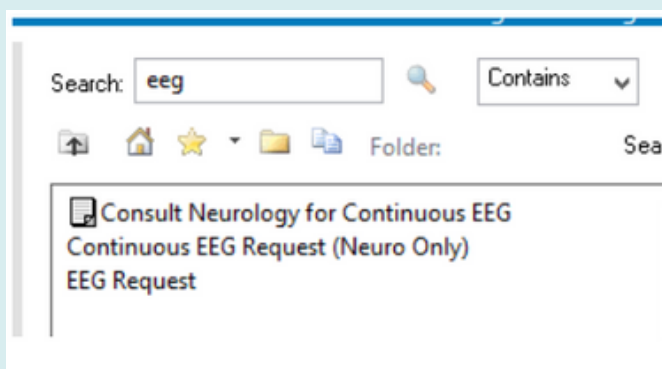

Starting the **afternoon of 11/15**, providers will now place the Consult Neurology for Continuous EEG order, which will consult Neurology to evaluate for how long the monitoring is needed and they will place the actual continuous EEG order.

Key Points

When searching "EEG" the following orders will be available:

- **Consult Neurology for Continuous EEG**
 - Used by clinical staff to contact the On-Call Neurologist
 - Neurology defaulted as Medical Service
 - Continuous EEG defaulted as Reason for Consult
- **Continuous EEG Request (Neuro Only)**
 - Used by Neurologists' Only
- **EEG Request**
 - No changes to this order

Future State

A screenshot of a form titled 'Details for Consult MD (Consult Neurology for Continuous EEG)'. The form has several tabs: 'Details', 'Order Comments', and 'Diagnoses'. Below the tabs are several input fields and controls. On the left side, there is a field for '*Medical Service to Consult:' with a dropdown menu showing 'Neurology'. Below it is a field for 'Specific Provider to be Consulted:' with a search icon. Below that is a field for 'When Consult Needed:' with a dropdown menu. At the bottom left is a field for 'Date/Time Consult Contacted:' with a date and time picker and a 'CDT' label. On the right side, there is a field for '...Other Medical Service:' with an empty input box. Below it is a field for '*Reason for Consult:' with a dropdown menu showing 'Continuous EEG'. Below that is a field for '*Do you need help from HUC?:' with radio buttons for 'Yes' and 'No', where 'No' is selected. At the bottom right is a field for 'Special Instructions:' with an empty text area.
