

HOW TO ACCESS FAVORITED & PRE-COMPLETED POWERNOTES FROM PROVIDER VIEW

Summary

Users can now access Pre-Completed and Favorited PowerNotes from the Dynamic Documentation Provider View.

PowerNote How To's

- **Saving a Pre-Completed PowerNote:**
 - [Link](#)
- **Saving a Favorite in PowerNote:**
 - [Link](#)

Steps

- From **Provider View**, select the **Documents Component**
- Select the **drop-down button**
 - You will now see a list of your Pre-Completed and Favorited PowerNotes

The screenshot displays the EHR interface for patient UMCTEST, PATIENTAXXIII. The top navigation bar includes 'Provider View' and 'Documents (6)'. The 'Documents (6)' component is expanded, showing a list of documents with columns for Time of Service, Subject, Note Type, and Last Updated. A dropdown menu is open over the 'Documents (6)' header, listing various note types such as 'Anes PACU Transfer Note', 'Anes Post-Op Transfer Note', 'Anes CICU Consult Note', 'Anes Post-Op Follow Up Note', 'Anes Post-Op Note', 'Anes Post-Op Transfer Note', 'UMC Consult Note', and 'UMC Progress Note'. The 'Documents (6)' component is also highlighted with a red box.
