

**UPDATE**

# UPDATE TO NAMING FORMAT OF BI-LATERAL BODY SITES

**GO-LIVE 5/7/24**

## Summary

In order to create consistency in the naming of bilateral body sites for cultures, a new format has been created.

## Key Points

The new bilateral format will be as follows:

**Body Site L or Body Site R**

Laboratory

Culture Wound with ... Order 04/02/2024 8:44 C... Abscess, Routine, 04/02/2024 8:44 CDT

Details for **Culture Wound with Gram Stain Swab**
